Dear Forest Neighbor,

On August 24, 2010 the Exhaust Fire Kirtland's Warbler Environmental Assessment (EA) was sent to you for your review and comment. Attached to the EA was a cover letter explaining how to submit comments on the project.

The 30-day comment contact telephone number and mailing addresses were correct in the original cover letter. However regrettably, there was an error with the e-mail address provided. We apologize for this oversight.

If you attempted to submit your comments via e-mail, please re-submit them to the correct e-mail address below:

comments-eastern-huron-manistee-huron-shores@fs.fed.us

Comments must be received or post marked within 30 days of the date that notice for this comment period was published in the Oscoda Press. Publication date of the legal notice for the Exhaust Fire KW EA was August 25, 2010. If the comment period ends on a Saturday, Sunday or Federal holiday the comment period shall be extended to the close of business of the next Federal working day. In order to have standing to appeal a decision under 36 CFR 215, comments must be submitted during the 30-day comment period.

Thank you for your attention to this matter.

Sincerely,

Susan M. Kocis
District Ranger
